

### Wall Protection

Project: BMI The Somerfield Hospital

“ We have worked with Gradus on a previous refurbishment project at the hospital and were very impressed with the end result. The standard of service we received and product quality was great, which is why we’ve chosen to work with them again. Gradus wall protection systems come in a variety of colours which enabled us to choose a solution which suited the existing interiors and produced a clean, modern appearance.”

Connie Stocker. ”

Connie Stocker  
Executive Director at BMI The Somerfield Hospital

Gradus has supplied a range of wall protection schemes to BMI The Somerfield Hospital in Kent. The refurbishment project was undertaken to enhance the aesthetics at the facility and prolong the lifespan of the surrounding interiors.

Based in Maidstone, BMI The Somerfield Hospital is part of BMI Healthcare, a leading provider of independent healthcare with a nationwide network of hospitals. The hospital is registered for 38 beds in total and features 3 operating theatres and 3 minor procedure rooms. The hospital also houses a host of specialist clinics.

Gradus SureProtect Pure® hygienic wall cladding was specified for use in the anaesthetic and sluice rooms. Specifically developed for areas of a hospital where hygiene and infection prevention is paramount, the sheet creates an impermeable barrier to moisture and bacteria and has a smooth, easy to clean surface. In addition, the sheet is 2.5mm thick helping to protect against impact and abrasion from passing equipment, trolleys and beds, thus helping to reduce ongoing repair and maintenance costs.

Wall guards were installed at 2 heights to offer protection from both direct and indirect impact damage. Fitted in conjunction with SureProtect Endure® PVC-u protective sheet it provides protection to the walls in the bin storage and clean room areas from impact damage caused by trolleys and other mobile equipment.

#### Product Specified:

- SureProtect Pure – Colour: White
- Wall Guards – Colour: Chalk 001
- SureProtect Endure – Colour: Chalk 001
