creations... inspired by you!

Creations is the new revolutionary digital print offer from Gradus which offers total design flexibility combined with a unique linen look Trevira CS basecloth.

- Creations offers over 1900 colour variations that can be applied to the 6 standard monochrome designs – Lagos, Laguna, Selema, Palmares, Benamor and Alamos
- Flexibility of developing bespoke fabric designs including individual logos that can be reproduced in any of the available colour shades for relatively small volumes
- 2 metre customer samples for design/colour approval
- Lisbon cloth - 265 gr/m² (140cm width) linen look Trevira CS print base that uses a clever twisted polyester yarn which gives the random linen appearance

1900 colour variations
