## Case Study

### Stair Edgings

Sheffield City Council

**Project:** £300m Sheffield Housing Improvement Project, Longley Hall Road accommodation, Sheffield

**Application:** Communal stairways in shared accommodation

#### Requirements:

1. Create safe stairs in a communal space that meet necessary guidance
2. Increase underfoot contact with the slip-resistant element of the stair edging, helping reduce the risk of slips, trips and falls
3. Provide the correct Light Reflectance Value to highlight the step edge
4. Ensure minimal upkeep and maintenance

**Product:** AK50A stair edgings with Xtra-grip insert: colour Oat
