PROJECT:  
WELLINGTON COLLEGE

STM 75 10 Skirting

## Gradus stratum skirting

**Product Specified:** Stratum Skirting

**Colour Specified:** Dove

### Application:

Stratum skirting was fitted by Vulcan flooring at Wellington College, in both the bathroom and the changing rooms, in the newly refurbished sports centre.

Stratum is a heavy duty PVC skirting suitable for all contract applications including education, healthcare and commercial office.

As an alternative to wood, the smooth matt finish is resistant to stains, dents and scratches. Thus, offering a low maintenance, hygienic solution to wall base finishes.

Stratum is made using 80% of recycled PVC material and has a 10 year manufacturer's warranty, making this profile a very cost effective solution.
