Height: 19.5mm
Gauge: 18mm
Width: 22.5mm
Length: 2.50m
Material: Natural Aluminium
Fixing: Mechanical (screw) and adhesive fix - as per manufacturer's instructions

Description

Multi-Purpose trims are designed to be used as a transition trim between different types of flooring, allowing quick and easy installation of tiles regardless of tile thickness. They are designed for installation with tiles but are also suitable for use with other types of flooring such as marble, stone, wood, industrial resin floors and natural stone.
