

# GRADUS

Gradus Ltd (a Gerflor company) are manufacturers of flooring accessories, entrance matting, wall protection and specialist LED lighting systems. Our attention to detail, forward thinking and passion for improvement has led to our success in the UK and International markets.

We have customers ranging from designers & architects to contractors and building owners, spanning all market sectors including Commercial Office, Education, Healthcare, Residential, Retail, Leisure & Hospitality.

## Due to our ongoing success, we now have a vacancy for a **Shift Extruder Operator Based at Springbank, Macclesfield**

- This is a full time Operative role, within the Extrusion department.

### **A typical day in the job...**

- The role will involve all aspects of operating an extrusion line whether from 'cold' or picking up from the previous shift.
  - Working in a safe manner to meet output targets and quality standards are key to this position.
  - Previous experience in extrusion machinery or a similar production process environment would be an advantage, and you must be able to work the shift pattern detailed below.
  - A mechanical aptitude would be an advantage, however, team-working, numeracy and a flexible attitude to learning new skills are essential.

### **Shift Pattern:**

- Week One 4 x 12-hour days Monday – Wednesday 5.50 a.m. – 6.00 pm (4.30 p.m. finish on Thursday)
  - Week Two 3 x Nights Monday – Wednesday 5.50 p.m. – 6.00 a.m.

### **What we would like you to bring....**

- Flexibility
- Attention to detail
- Good housekeeping
- The ability to work as part of a team are essential.

Applications should be made in writing with a current CV, to [recruitment@gradus.com](mailto:recruitment@gradus.com) , or in writing to the HR Department, Springbank, Brunel Road, Macclesfield, SK11 0TA
