# Introducing SureProtect Evo

At Gradus, we have a wealth of experience in helping estates and facilities managers protect their healthcare facilities. Understanding the ongoing requirements of healthcare professionals, we are pleased to introduce SureProtect Evo into our comprehensive Wall Protection Range... the same protection and quality you'd expect from Gradus with a few added benefits.

# Why install Wall Protection

## Hygienic and Durable

- Easy to clean, reducing the spread of infection
- Specifying wall protection can help to reduce the levels of everyday damage to building interiors

## Design and practicality of the healthcare environment

- 9 panel colours available to help offer pedestrian way-finding as part of your design & installation
- Gradus Wall Protection is modular in design so if parts become damaged they can be easily replaced with minimum cost

## Safety and well-being of patients

- Ensuring an attractive safe healing environment
