Description

RN Range

A range of attractive and hardwearing stair edgings comprising of PVC-u channels with fusion bonded slip resistant inserts. Suitable for interior use, these profiles are supplied with pre-bonded inserts and capping plugs to conceal screw heads after fixing. Typically used with resilient floorcoverings or carpet from all major manufacturers, Hardnose stair edgings are suitable for applications such as commercial office, retail and healthcare.

As with all Gradus stair edgings RN211 helps to meet the guidance in Approved Document M (The Building Regulations 2010) and helps to achieve an inclusive environment in line with the Equality Act 2010.
