Fixing: Recommended Adhesive – Gradus Grip WGE1 Wall Cladding Adhesive

Finishing options: SPEUFT Universal Finishing Trim, SPETPT Two Part trim, SPESC310, SPETC Top Cap, Silicone Sealant

Description

SureProtect Endure® is a durable PVC-u wall cladding solution. It is designed to work as a stand-alone product or can be combined with other Gradus wall protection products to create a more comprehensive wall protection system. Through coloured and textured to conceal the effects of impact and abrasion, it is ideal for busy environments such as corridors and circulation areas, canteens, classrooms and waiting areas.
