Fixing: Adhesive – Gradus Grip WGE1 Wall Cladding Adhesive

Finishing options: SPEUFT Universal Finishing Trim, SPESC310 Silicone Sealant.

Description

SureProtect Endure® K15 Kickplates & Pushplates are a durable PVC-u wall cladding solution which can be bevelled on the top and bottom, on request. Through coloured and textured to conceal the effects of impact and abrasion, they are ideal for use in busy environments such as corridors and circulation areas, canteens, classrooms and waiting areas.
